SDC's CUSTOM EXHIBIT SERVICES

"The Easiest Way To Look Better!"

Participating in a trade show or convention can easily be one of the most lucrative and rewarding experiences a company can have. Unfortunately, it takes a lot of time and effort to make your exhibit a success. Simple tasks can become massive headaches if not handled properly and in a timely manner. SDC's Custom Exhibit Services can simplify your work and ensure a smooth experience.

SDC's Custom Exhibit Services offers:

- Professional exhibit coordinators, experienced in working with displays of all sizes.
- Single point of contact to handle all your questions.
- Complete follow through from start to finish.
- Your Custom Exhibit Service Representative on-site to oversee all the details.
- Coordination of all exhibit elements including labor, equipment rental, design, graphics, drayage and more.
- Booth layout and design assistance.
- Source for ordering SDC Exhibit Technology (S.E.T.) Modular Display Systems.
- Experienced and courteous labor.
- Retrofitting and refurbishing of your old displays.

To take advantage of these benefits, simply fill-out the enclosed Exhibit Installation and Dismantle Labor Order Form, Plan B or call us at (818) 352-8282. SDC's Custom Exhibit Services is the easiest way to look better.

Thank You,
